

Semillas Fitó

Company details

Semillas Fitó is a **Spanish multinational** that was founded in 1880 in Sant Martí de Provençals, Barcelona. Over the last **130 years** it has turned from a small family seed company to one of the biggest multinationals in the field of genetic improvements and the production and distribution of seeds for horticultural and field crops.

Semillas Fitó has not only managed to grow, but also to tackle the challenge of **internationalization**.

Nowadays, 65% of its turnover corresponds to exports, with sales in more than **70 countries**. Today, Fitó is a benchmark in the **Mediterranean and South American** markets and has 8 own subsidiaries, as well as **representants in more than 10 other countries**. Some of their centres have their own offices, research centres and testing laboratories, as well as collaboration agreements with hundreds of farmers, in the quest to improve and adapt every seed to every region and climate.
